

IMASA - FIMA LIFESAVERS 2026

Volunteer, Trainer & Team Leader Recruitment

A Global movement to save lives

We need you! Whether you're a Masjid committee member, healthcare worker, CPF member, community leader, BLS trained (bonus!), or simply passionate about saving lives — your help is vital.

You'll receive training in 3 essential lifesaving skills: basic CPR, how to respond to choking, and the recovery position.

Join us in making a difference across South Africa. Become a volunteer, trainer, or team leader — and help save lives in your community!

WED 24 SEPTEMBER 2026

Be a part of this World Changing Event
